NIGHT TREE

Films

A MAGICAL TWO-PART FILM

For streaming, indoor & outdoor screenings, and schools

WWW.SECONDHANDDANCE.CO.UK

***Every year, in the middle of winter, we go into the forest to find our tree.
Our special tree. We bundle up so we're warm, with hats, gloves, shoes and
coats. We travel through the trees. Among the leaves and muddy puddles.
Listening to the birds sing. And watching for animals.***

Squelch through mud, sip hot chocolate, and play amongst the pines! Night Tree is a magical two-part film based on Eve Bunting's book of the same name.

Suggested age range: Children aged 3-7

Key Themes: nature and the natural environment, movement, imagination, curiosity, animals

Created by Rosie Heafford, winner of the Arts Foundation Children's Theatre Shortlist Award

Password for all films: NightTreeFilms

The films are available with or without audio description and creative captions. Additional activities can be provided including online dance workshops and downloadable print-at-home interactive sensory activities for all the family to enjoy together.

Family Activities

Designed for families to download and use at home, and with an audio version available, activities include:

- Create your own leafy forest floor
- Make a bird feeder
- Hot chocolate recipe
- Night Tree colouring in page

Online Dance Workshops

Inspired by the films and led by the Night Tree dancers, participants will learn some of the dance moves from the show, create their own and finish off with a lively Ceilidh.
